NEBRASKA OPEN MEETINGS ACT
NEB REV STAT 84-1407 TO 84-414
(Effective April 22, 2021)

84-1407. Act, how cited.

Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires: (1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and (b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders; (2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and (3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops. (1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body. (2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section. (3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act. (5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

Such notice shall be transmitted to all members of the public body and to the public. (b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site. RE: Blight and Substandard Study preliminary maps

SUMMARY: At the November 23, 2022, City Council meeting the Council approved engaging with Five Rule Rural Planning to complete a blight and substandard study. We are now in the process of that study and have preliminary maps for your review. You do not need to take action on this item, but we wanted to get you input ahead of the presentation of the final blight and substandard maps. We will try to get the final maps on the next Planning Commission meeting agenda.

BACKGROUND/DISCUSSION: There are multiple reasons to conduct a blight study. The Nebraska Department of Economic Development (DED) requires that a blight study be conducted every ten years. The last blight study the city conducted was in 1994. There have been several spot blight additions over the years, but no new study has been completed. If the city is to move forward with applying for workforce housing funds through DED, NIFA, or HUD we will need to have a complete and up to date blight study.

It is also important to mention that the city has completed a housing study and is now working with Michael Sands of Baird Holm to put together an incentive package for developers and builders. Tax Incentive Financing or TIF is one option that the city has to incentivize builders. In order for us to use this incentive we also need an updated blight study.

RE: New Table of Grace Facility

SUMMARY: Jim Hansen from Sandhills Publishing has secured a generous donation to construct a new Table of Grace facility here in Sidney. Sandhills Publishing also recently purchased two mobile food pantry trucks to be built locally by Adams. After researching several locations Jim Hansen would like to partner with the city of Sidney to obtain a piece of city land.

BACKGROUND/DISCUSSION: About a year and a half ago the city was approached by Jim Hansen of Sandhills Publishing about acquiring a building to relocate the current Table of Grace operation to have more space and greater capabilities. The city staff worked with Mr. Hansen and Sheri Eads from the Table of Grace organization to explore several different options. There were a few options that met their needs, but the property owners wanted too much for the land and facilities or had already committed the property to someone else.

Mr. Hansen has decided that building a facility might be the best option. Again, we searched for a piece of land to place the facility and had no luck in locating a privately owned piece of land to purchase. The City Mayor, Mr. Hansen and I met to discuss city owned land. After exploring different options, the land out by the old recycling facility was the best suited for zoning and other reasons. See attached preliminary plat.

We can get electric and water to the location easily, but the facility will need to get a septic system approved by the Planning Commission. I'm not sure if this can be done now or if a second request needs to be submitted. There is simply no economically feasible way to get sewer to that area. In one direction it is over three hundred yards to the nearest connection which would require at least one lift station and we would need to go through the railroad. The other direction is about the same distance and would require lift stations and need to go past a hill.

I recommend that the Planning Commission approve the preliminary plat for the above stated purpose.
